WHITEHAVEN BIN STATION SINGLE

Bins » Bin Stations

Single bin stations with tray return. 120L capacity. Stainless steel frame. Laminate, v-groove compact laminate options.

Description	<p>Whitehaven Bin Station Single is the ultimate food court waste solution —trusted for decades and known for its long-lasting performance. Its hardy stainless-steel frame resists trolley damage and everyday wear, making it a favourite in busy, high-traffic environments.</p> <p><i>Also available in Double and Triple configurations</i>, Whitehaven adapts easily to your space and waste capacity needs. Finishes include classic laminate and v-groove compact laminate options, with the added choice of an optional cleaner’s storage cupboard for enhanced functionality.</p>
How to Specify	Select your panel finish - laminate or V-groove compact
Sustainability	<p>Certified Materials We use laminates that carry internationally recognised Environmental Product Declarations (EPDs).</p> <p>Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable.</p> <p>Low Pollutants Our powder-coating process doesn’t emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).</p>

Made In	Australia
Lead Time	6-8 weeks
Assembly & Delivery	Shipped fully assembled.
Fixing Detail	Surface fixed by others. Anchors not included.
Care Instructions	<p><u>Laminates Laminex®</u></p> <p>A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex or Ajax Spray n Wipe spray cleaners.</p> <p>Do not use strongly acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.</p> <p><u>Stainless Steel</u></p> <p>Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning.</p> <p>When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish.</p> <p>Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits.</p> <p>Use "Star Brite Rust Stain Remover" to remove tea staining and "Star Brite Chrome & Stainless Steel Polish" to protect the surface after cleaning.</p> <p>Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired.</p> <p>Never use abrasive materials such as scouring pads, steel wool or metallic scrapers.</p> <p>For stubborn stains or where "deep cleaning" is required, a mild abrasive cleaner or rust remover may be required.</p>
Warranty	5-year warranty. View the warranty for more details.
