COTTESLOE LITTER BIN SINGLE

Bins » Litter Bins

Modern, round, single litter bins for indoor multi-stream recycling. Choose from an array of stunning Corian® solid surface colours.

Description

Cottesloe Litter Bin Single is a beautifully unpretentious waste solution designed to blend effortlessly into any indoor space. Its seamless Corian® body, available in a wide array of organic colours, provides a smooth, germ-resistant surface with understated elegance.

Also available in Double and Triple configurations, Cottesloe allows you to manage your recycling channels in style while maintaining a consistent design aesthetic. The Single unit is compact and efficient, while the range offers smart features such as a folding central hinge on the Double and a gas-assisted lift on the Triple for safe, easy servicing.

Choose stainless steel or powder-coated lids finishes to match or contrast with your bin body—perfect for creating a cohesive interior environment.

How to Specify

Select your capacity - single, double or triple
Select your body finish colour
Select your lid finish - stainless steel or powdercoated
Select your signage type - vinyl or engraved enamel
Select your fixing type - loose or surface fixed

Sustainability

Certified Materials
We use non-porous solid surfaces that carry internationally recognised Environmental Product Declarations (EPDs).

Recycled Materials
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Finishes

Lid
3mm stainless steel, satin polished or powder-coated finish

Body
Thermoformed Corian®

Colours
Select from the [Corian® colour range](#)

Plinth
Stainless steel, satin polished

Lead Time	6-8 weeks
Assembly & Delivery	Shipped fully assembled.
Fixing Detail	Freestanding or surface fixed by others. Anchors not included.
Care Instructions	<p><u>Solid Surfaces Corian®</u> Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean.</p> <p>For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge.</p> <p><u>Stainless Steel</u> Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning.</p> <p>When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish.</p> <p>Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits.</p> <p>Use “Star Brite Rust Stain Remover” to remove tea staining and “Star Brite Chrome & Stainless Steel Polish” to protect the surface after cleaning.</p> <p>Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired.</p> <p>Never use abrasive materials such as scouring pads, steel wool or metallic scrapers.</p> <p>For stubborn stains or where “deep cleaning” is required, a mild abrasive cleaner or rust remover may be required.</p>
Warranty	5-year warranty. View the warranty for more details.

Customisable

Custom specify your [Corian® colour](#) to co-ordinate with your interior palette. Corian® colours are categorised A to E with A being the basic Glacier White colour, and E category being the most expensive organic colours.

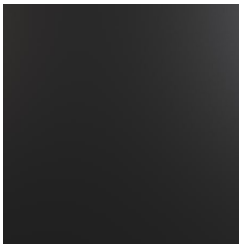

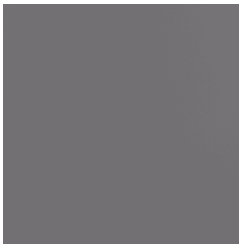

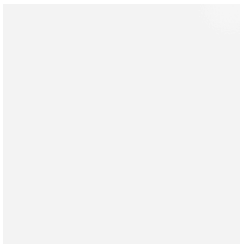

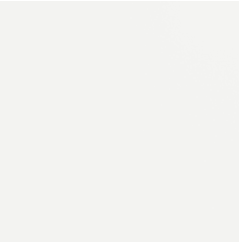

Please be aware that the Cottesloe bin body has seamless joins when specifying organic Corian® colours with a grain. The grain will not pattern match across the joins.
