COTTESLOE LITTER BIN DOUBLE

Bins » Litter Bins

Modern, round, double litter bins for indoor multi-stream recycling. Choose from an array of stunning Corian® solid surface colours.

Description	<p>Cottesloe Litter Bin Double is an elegant and functional solution for managing dual waste or recycling streams in high-end indoor environments. Its seamless Corian® body offers a smooth, germ-resistant finish, available in a wide selection of organic colours to suit any interior.</p> <p><i>Also available in Single and Triple configurations</i>, the Cottesloe range adapts effortlessly to your recycling needs while maintaining a cohesive design language. The Double features a folding central hinge, allowing staff to empty both channels safely and efficiently. Complete the look with stainless steel or powder-coated lids options for a polished, contemporary finish.</p>
How to Specify	<p>Select your body finish colour</p> <p>Select your lid finish - stainless steel or powdercoated</p> <p>Select your signage type - vinyl or engraved enamel</p> <p>Select your fixing type - loose or surface fixed</p>
Sustainability	<p>Certified Materials We use non-porous solid surfaces that carry internationally recognised Environmental Product Declarations (EPDs).</p> <p>Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable.</p> <p>Low Pollutants Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).</p>
Finishes	<p>Body Thermoformed Corian®</p> <p>Colours Select from the Corian® colour range</p>

Care Instructions	<p><u>Solid Surfaces Corian®</u></p> <p>Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean.</p> <p>For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge.</p> <p><u>Stainless Steel</u></p> <p>Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning.</p> <p>When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish.</p> <p>Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits.</p> <p>Use “Star Brite Rust Stain Remover” to remove tea staining and “Star Brite Chrome & Stainless Steel Polish” to protect the surface after cleaning.</p> <p>Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired.</p> <p>Never use abrasive materials such as scouring pads, steel wool or metallic scrapers.</p> <p>For stubborn stains or where “deep cleaning” is required, a mild abrasive cleaner or rust remover may be required.</p>
Warranty	5-year warranty. View the warranty for more details.
Customisable	<p>Custom specify your Corian® colour to co-ordinate with your interior palette. Corian® colours are categorised A to E with A being the basic Glacier White colour, and E category being the most expensive organic colours.</p> <p>Please be aware that the Cottesloe bin body has seamless joins when specifying organic Corian® colours with a grain. The grain will not pattern match across the joins.</p>
Additional Comments	The double size has a centrally hinged lid.
