COTTESLOE LITTER BIN TRIPLE

Cottesloe Triple Litter Bin - Gas Lift

Cottesloe Triple Litter Bin - Draft

COTTESLOE LITTER BIN TRIPLE

Modern, round, triple litter bins for indoor multi-stream recycling. Choose from an array of stunning Corian® solid surface colours.

Description

Cottesloe Litter Bin Triple is a refined, space-efficient solution that accommodates three separate waste streams within a beautifully minimal design. Crafted with a seamless Corian® body in a range of organic hues, it offers a non-porous, hygienic surface ideal for premium indoor spaces.

Also available in Single and Double configurations, Cottesloe gives you design flexibility with a consistent aesthetic. The Triple is equipped with a gas-assisted lift mechanism, making emptying safe and effortless for staff. Choose from stainless steel or powder-coated lid finishes to create a custom look that complements your space.

How to Specify

Select your capacity - single, double or triple
Select your body finish colour
Select your lid finish - stainless steel or powder coats
Select your signage type - vinyl or engraved enamel
Select your fixing type - loose or surface fixed

Sustainability

Certified Materials
We use non-porous solid surfaces that carry internationally recognised Environmental Product Declarations (EPDs).

Recycled Materials
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Finishes

Body
Thermoformed Corian®

Colours

Assembly & Delivery	Shipped fully assembled.
Fixing Detail	Freestanding or surface fixed by others. Anchors not included.

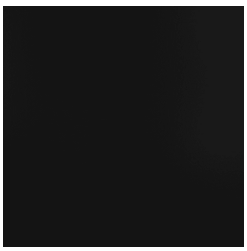

COTTESLOE LITTER BIN TRIPLE

Care Instructions	Solid Surfaces | Corian® Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean. For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge. Stainless Steel Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning. When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish. Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits. Use “Star Brite Rust Stain Remover” to remove tea staining and “Star Brite Chrome & Stainless Steel Polish” to protect the surface after cleaning. Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired. Never use abrasive materials such as scouring pads, steel wool or metallic scrapers. For stubborn stains or where "deep cleaning" is required, a mild abrasive cleaner or rust remover may be required.
Warranty	5-year warranty. View the warranty for more details.
Customisable	Custom specify your Corian® colour to co-ordinate with your interior palette. Corian® colours are categorised A to E with A being the basic Glacier White colour, and E category being the most expensive organic colours. Please be aware that the Cottesloe bin body has seamless joins when specifying organic Corian® colours with a grain. The grain will not pattern match across the joins.
Additional Comments	The triple size has gas lift struts for easy removal of liners.
