Mandalay Single and Double Detail

MANDALAY LITTER BIN SINGLE

Bins » Litter Bins

Modern, round, single litter bins for indoors and out. Clad with hardwood battens and featuring a stainless-steel lid and plinth.

Description

Channelling the enduring beauty and warmth of hardwood, and its versatility inside and out, **Mandalay Litter Bin Single** is an instant favourite. Available in single, double and triple to manage your recycling channels in style. Staff will safely and easily empty the bins using either the folding central hinge on the double or gas assisted lift on the triple.

Finishes include cladding in hardwood battens available in a variety of profiles, which are complimented with a satin-polished stainless-steel lid and plinth.

Mandalay Litter Bin Single in select finishes is part of b+g's **Essential Collection** delivering favourable pricing and leadtimes.

Select from Core powder coat colours and battens in hardwood blackbutt or Duraslat™ XG to qualify.

How to Specify

Select your capacity - 90L or 55L

Select your slat finish

Select your fixing type

Sustainability

Certified Hardwood

All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials

We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Finishes

3mm stainless steel, satin polished

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Stainless Steel

Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning.

When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish.

Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits.

Use "Star Brite Rust Stain Remover" to remove tea staining and "Star Brite Chrome & Stainless Steel Polish" to protect the surface after cleaning.

Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired.

Never use abrasive materials such as scouring pads, steel wool or metallic scrapers.

For stubborn stains or where "deep cleaning" is required, a mild abrasive cleaner or rust remover may be required.

Warranty

5-year warranty. View the [warranty](#) for more details.

Additional Comments

Manage recycling by splitting your waste streams.

Chutes act as limiters to signal recycling and save labour in sorting.
