MANDALAY LITTER BIN DOUBLE

Bins » Litter Bins

Modern, round, double, triple litter bins for indoors and out. Cladding in hardwood battens with a stainless-steel lid and plinth.

Description	<p>Channelling the enduring beauty and warmth of hardwood, and its versatility inside and out, Mandalay Litter Bin Double is an instant favourite. Available in single, double and triple capacities size, manage your recycling channels in style. Staff will safely and easily empty the bins using either the folding central hinge on the double or gas assisted lift on the triple. Mandalay welcomes people with vitality in any space. Finishes include cladding in 6 hardwood batten colours in a variety of profiles combined with a satin-polished stainless-steel lid and plinth.</p> <p>Mandalay Litter Bin Single in select finishes is part of b+g's Essential Collection delivering favourable pricing and leadtimes.</p> <p>Select from Core powder coat colours and battens in hardwood blackbutt or Duraslat™ XG to qualify.</p>

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Stainless Steel

Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning.

When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish.

Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits.

Use "Star Brite Rust Stain Remover" to remove tea staining and "Star Brite Chrome & Stainless Steel Polish" to protect the surface after cleaning.

Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired.

Never use abrasive materials such as scouring pads, steel wool or metallic scrapers.

For stubborn stains or where "deep cleaning" is required, a mild abrasive cleaner or rust remover may be required.

Warranty

5-year warranty. View the [warranty](#) for more details.

Additional Comments

Manage recycling by splitting your waste streams.

Chutes act as limiters to signal recycling and save labour in sorting.

Double size has a hinged lid which folds for easy removal of the liners.

Gas struts on the triple lid safely and easily assist opening the bin for staff to replace bin bags.
