<b>DESCRIPTION / FEATURES</b>	<p>Meet Isobar, the contemporary seating system designed to be super flexible in meeting your project needs. Curved benches around planters are popular for both indoor and outdoor use. They make great pause points which are a bit more unique than your average bench, plus plants add atmosphere. You can customise the Isobar Curved Bench + Planter by adding various cladding finishes or upholstery, swap up the planter or colours to create designated zones inside spaces. Have Isobar inside, outside or both. Go wild with colour or keep it classic and tame. We have some size and planter options to get you started or specify your own. Create your own micro space.</p> <p>Isobar is made locally in Sydney and we have huge flexibility in manufacturing, if you have ideas for custom joinery for your project and need some assistance call us on 1300 762 701.</p>
