

PROSPECT TRUSS BENCH

URBAN + STREET - URBAN BENCHES

Lead Time: 6-8 weeks

Made In: Australia

Price: \$

Suitable for: Streetscape

DESCRIPTION / FEATURES	The Prospect Range is based on our competition winning designs for the Western Sydney Parklands trust. The products have now been rolled out to a number of parkland projects, including; Pimelea, Shale Hills, Plough and Harrow, and Bungarribee. The designs in the range feature robust materials and striking asymmetrical forms which reflect the natural environment of the parklands. This strong and robust bench is visually lighter than the Block version and ideal for streets and parks with minimal supervision in remote areas.
